

Membership Massage Conversion

The math below is based on current membership rates. For clients locked into past membership rates, please substitute the cash value of your membership.

Any negative totals get applied to the client account as a cash balance to be applied toward future purchases.

Trading in a membership massage for a gift certificate:

$$\begin{aligned} &+ \$___\quad (\text{cost of gift certificate}) \\ &- \$___\quad (15\% \text{ discount for all active members}) \\ &- \$___\quad (\text{cash value of trade in}) \\ &= \$___\quad \text{Total Due} \end{aligned}$$

Trading in a 60-min membership massage for a 90-min massage:

$$\begin{aligned} &+ \$140\quad (\text{cost of 90-min massage}) \\ &- \$21\quad (15\% \text{ discount for all active members}) \\ &- \$75\quad (\text{cash value of 60-min membership massage}) \\ &= \$44\quad \text{Total Due} \end{aligned}$$

Trading in 2x 60-min membership massages for a 90-min massage:

$$\begin{aligned} &+ \$140\quad (\text{cost of 90-min massage}) \\ &- \$21\quad (15\% \text{ discount for all active members}) \\ &- \$150\quad (\text{cash value of 2x 60-min membership massage}) \\ &= -\$31\quad \text{Total Due} \end{aligned}$$

Trading in a 90-min membership to a 60-min massage:

$$\begin{aligned} &+ \$99\quad (\text{cost of 60-min massage}) \\ &- \$14.85\quad (15\% \text{ discount for all active members}) \\ &- \$110\quad (\text{cash value of 90-min membership massage}) \\ &= -\$25.85\quad \text{Total Due} \end{aligned}$$
